RIDGEWOOD COUNTRY CLUB

96 WEST MIDLAND AVENUE, PARAMUS, NJ

**A Cause for Today...
A Cure for Tomorrow**

July 22, 2019

Dear Friends,

Welcome to the Children's Cardiomyopathy Foundation (CCF)'s 17th Annual Golf Classic at the Ridgewood Country Club. We hope you enjoy the club's rich history and challenging course, which is top-ranked by *Golfweek*, *Golf Digest*, and *Golf Connoisseur*. Your participation today allows us to continue advocating for children with cardiomyopathy, a chronic and potentially life-threatening heart condition.

CCF is a recognized leader in pediatric cardiomyopathy research and education. This past year, our partnership with the National Institutes of Health-funded Pediatric Cardiomyopathy Registry (PCMR), yielded seven new publications and medical presentations in the U.S. and Canada. In 2019, the PCMR published the first of several papers on a national biomarker study that CCF supported. The study findings will help physicians better predict patient outcomes and develop more specific treatment plans. Additionally, CCF funded three new pilot studies at major universities and sponsored a working group meeting for top experts on pediatric cardiomyopathy.

In October, we will host our first family conference, *Living with Cardiomyopathy*, in Philadelphia. The event will offer attendees the opportunity to hear from medical experts in the field and connect with other cardiomyopathy families.

With your support, we will continue to build on these successes to improve the quality of life for children living with cardiomyopathy. Your generosity today truly makes a difference in the lives of our heart kids and their families.

In gratitude,

A handwritten signature in black ink that reads "Lisa Yue". The signature is written in a cursive, flowing style.

Lisa Yue
Founder & Executive Director

ACKNOWLEDGEMENTS

Creating a Brighter Future

The Children's Cardiomyopathy Foundation (CCF) is dedicated to finding causes and cures for pediatric cardiomyopathy through the support of research, education, awareness, and advocacy.

For 16 years, CCF has been assisting physicians and families in their quest for earlier diagnosis, improved treatment, and better quality of life for children affected by cardiomyopathy.

Together, we can create a future where more lives are saved, and every affected child has a chance to live a full and active life.

ABOUT THE CHILDREN'S CARDIOMYOPATHY FOUNDATION

The Children's Cardiomyopathy Foundation (CCF) is a national nonprofit dedicated to finding causes and cures for pediatric cardiomyopathy, a chronic and potentially life-threatening heart disease.

The Foundation started in 2002 with one family's determination to call attention to a poorly understood disease and to take action on the lack of medical progress and public awareness. Seventeen years later, CCF has grown into a global community of families, physicians and scientists focused on improving diagnosis, treatment and quality of life for children with cardiomyopathy.

Proceeds from the Golf for a Cure event will go towards CCF's research programs in partnership with the American Heart Association, American Academy of Pediatrics, and North America Pediatric Cardiomyopathy Registry. More than 305 medical publications and presentations have resulted from CCF-funded initiatives, which has led to improved guidelines for physicians treating children with cardiomyopathy.
