

# The Pediatric Cardiomyopathy Registry Virtual Investigator Retreat

March 26, 2021

## Agenda

Time	Agenda Item	#	Presenter
9:00am-9:10am EDT	<b>Welcome and Introductions</b>	<b>1</b>	Steven Lipshultz
9:10am-9:30am EDT	<b>Cardiac Imaging and Biomarkers for Assessing Myocardial Fibrosis in Children with Hypertrophic Cardiomyopathy</b>	<b>2</b>	Sonya Kirmani
9:30am-10:00am EDT	<b>PCM Biomarkers Study: HCM Biomarker Project</b>	<b>3</b>	Suzanne Mone
10:00am-10:30am EDT	<b>Serum NT-proBNP Concentrations in Pediatric Heart Failure</b>	<b>4</b>	Steven Lipshultz
10:30am-10:50am EDT	<b>Racioethnic and Socioeconomic Impact on Outcomes in Pediatric Cardiomyopathy</b>	<b>5</b>	Lynn Sleeper
10:50am-11:00am EDT	<b>Break</b>	--	
11:00am-11:20am EDT	<b>Developing Gene Therapies for Pediatric Cardiomyopathy: Tenaya Therapeutics</b>	<b>6</b>	Whit Tingley
11:20am-12:05pm EDT	<b>CCF Pediatric Cardiomyopathy Biorepository Project</b>	<b>7</b>	Lisa Yue and Lisa Boyette
12:05pm-12:30pm EDT	<b>Department of Defense Peer Reviewed Medical Research Opportunities</b>	<b>8</b>	Lisa Yue
12:30pm-1:00pm EDT	<b>Break</b>	--	
1:00pm-1:20pm EDT	<b>Associations between Genotype and Septal Thickness in Pediatric Primary Hypertrophic Cardiomyopathy</b>	<b>9</b>	Elfriede Pahl
1:20pm-2:20pm EDT	<b>Multi-Omic Assessment of Pediatric DCM</b>	<b>10</b>	Kory Lavine
2:20pm-2:40pm EDT	<b>Correlation of Genotype with Disease Severity and Progression of Primary Dilated Cardiomyopathy in Children: A Report from the NHLBI funded Pediatric Cardiomyopathy Registry</b>	<b>11</b>	Paul Kantor
2:40pm-2:50pm EDT	<b>Break</b>	--	
2:50pm-3:10pm EDT	<b>Update on The Prognostic Significance of microRNA Expression in Children with Cardiomyopathy</b>	<b>12</b>	Shelley Miyamoto and Carmen "Kika" Sucharov

# The Pediatric Cardiomyopathy Registry Virtual Investigator Retreat

March 26, 2021

## Agenda

Time	Agenda Item	#	Presenter
3:10pm-3:30pm EDT	<b>Cardiac Biomarkers in Pediatric Patients with Newly Diagnosed Dilated Cardiomyopathy: A Multi-Center Study from The Pediatric Cardiomyopathy Registry</b>	<b>13</b>	Joseph Rossano and Steven Lipshultz
3:30pm-3:50pm EDT	<b>Reclassification of Genetic Variants Associated with Pediatric Cardiomyopathy</b>	<b>14</b>	Teresa Lee
3:50pm-4:15pm EDT	<b>Retreat Wrap-up/Future Directions</b>	<b>15</b>	Steven Lipshultz
