

CHILDREN'S CARDIOMYOPATHY FOUNDATION

Sample Meeting Thank You Letter

Dear Representative/Senator LAST NAME],

Thank you/Thank you to your staffer, [NAME], for meeting with me on [DATE] to discuss the Supporting Athletes, Families and Educators to Protect the Lives of Athletic Youth (SAFE PLAY) Act (H.R. 829/S. 436).

As we discussed, the SAFE PLAY Act is a comprehensive youth safety bill that will protect children engaged in organized sports and lower the incidence of injuries and cardiac related deaths. The bill includes important provisions for developing educational resources for school officials, coaches and parents on the symptoms of cardiomyopathy and the risk factors associated with sudden cardiac arrest. It also provides grants for cardiac training and equipment in public schools, and sets guidelines for cardiac emergency action plans.

As your constituent, I hope you will consider cosponsoring this important legislation. The SAFE PLAY Act will have a great impact on the lives of student athletes, some who may not know they have cardiomyopathy and be at risk of sudden cardiac death.

Thank you for your consideration of my request. It was great to meet you, and I look forward to working with your office to further education and awareness on cardiomyopathy and sudden cardiac death.

Best,
